

Employee Giving Campaign

Dear PV School District Employees:

As an employee of the Perkiomen Valley School District, you understand the importance of quality public education in our community. Since 1995, the Perkiomen Valley School District Foundation has been a school partner for hands-on, in-the-classroom teacher and student support of excellence in our schools.

Each school in the district, or you as an educator, has received a grant and understands what they mean to your school and students. Please consider joining our efforts this year with a tax-deductible gift through payroll deduction. You choose the level most comfortable to you – all gifts are important and very much appreciated. Just \$1 per paycheck will make a huge difference in providing direct-to-teacher grants and fostering innovation in our schools. All contributions are tax-deductible.

To participate in the program, simply click [HERE](#) to set up your contribution with PVSD payroll online, OR complete the information at the bottom of this letter and return to Regina Carroll, Payroll Specialist at District Office.

Thank you for all you do to ensure excellence in public education for our community!

Sincerely,
Kristin Craven
