

2024-2025 Sponsorship Opportunities

About Us

Perkiomen Valley School District Foundation encourages excellence in the classroom by providing funding for innovative projects that enhance the educational experience.

The Foundation has funded small projects like plants in the classroom to huge projects like an Anatomage Table!

With your support, we can continue enhancing education around Perkiomen Valley and together, create a stronger community!

See what we've funded.

2023-2024 Grants

This past school year, the Foundation funded:

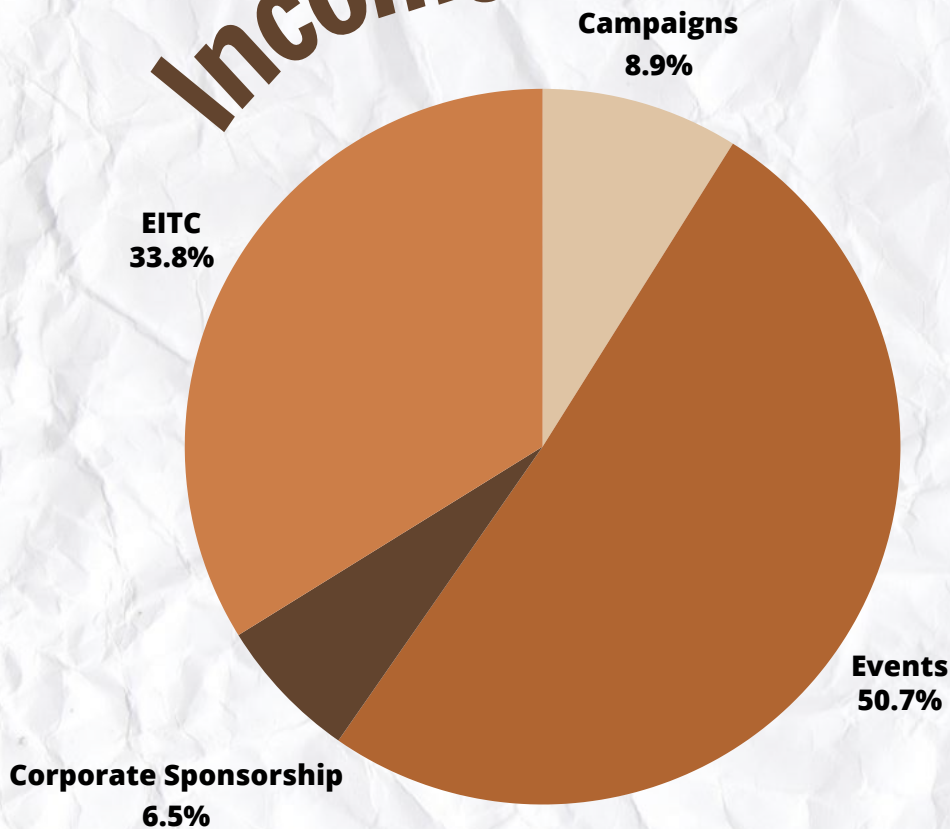

Pictured above (L-R): MLK Day of Service: No Sew Blankets; Unpack It! Take Home Totes for Challenging Life Events; PVMSW Zen Den; Mini-Hydroponic Growing Systems; Ozobot Color Code Magnets; Classroom Plants & Wellness; Science in Sound: Chladni Plate

Not pictured above:

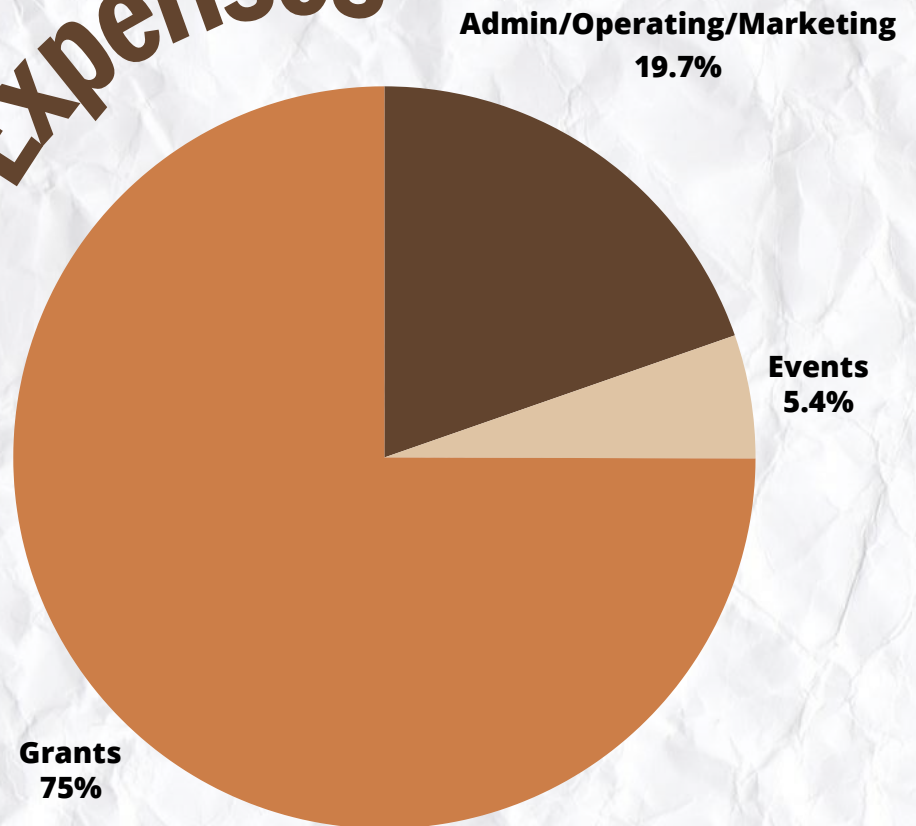

PVHS Courtyard Beautification; Perk Me Up Cafe; Rebranding & Rebooting PV Professional Learning; Welcome to Full Day Kindergarten!; Lenape Arboretum Trails & Signs; Skippack Sensory Walls

24-25 Project

In the 2023-2024 school year, the Foundation started proactively raising money for a specific project while still giving out funds through our traditional mini-grant and grant process.

Perkiomen Valley School District is committed to a proactive approach in supporting our students. The **Facility Dog Program** is a crucial step in this direction, particularly in light of the escalating number of students whose mental health issues are hindering their academic performance. These students bring a range of emotional, behavioral, physical, and educational needs, making it imperative for us to act swiftly and effectively.

The benefits of a Facility Dog are as follows: increase communication skills, foster trust, reduce anxiety and ease stress, reduce isolation and loneliness, provide joy and affection, improve self-esteem and feelings of self-worth, improve socialization, increase attentiveness and engagement, learn skills of acceptance and being non-judgmental, reduce inappropriate social behavior, support de-escalation strategies, improves reading skills, stimulates memory and problem-solving skills, support emotional regulation and reduce high-stress levels which inhibit effective learning and performance.

Harlem Wizards

Saturday, November 16

The Harlem Wizards are a fun-interactive basketball game-show that puts professional basketball players against a team of PV teachers. Basketball aficionados are treated to great skills, teamwork, slick dribbling, alley-oops and crazy slams. The non-hoop fans attending will find out that this is much more than just a basketball game. The night is funny, theatrical, exciting and spectacular and the gym will reverberate with oohs & aahs, laughter, enthusiasm, and much much more.

Captained by one of the *2025 Pennsylvania Teacher of the Year Finalists* and PVSD Foundation Board Member, **Kevin Tomlinson**, and long time co-captain, Bryan Beddis, this event is sure to get you jumping out of your seat!

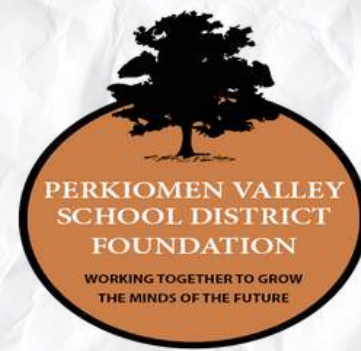

Join us as a sponsor for the laughs, basketball tricks and alley oops.

Harlem Wizards

Sponsorship Opportunities

Saturday, November 16, 2024

HOME TEAM

*1 Available

\$5,000

- Name associated with event
- Full page in program
- Included in post event press release

Giving Tuesday

Tuesday, December 3, 2024

GivingTuesday is a global generosity movement unleashing the power of radical generosity. GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good.

With our theme, “What’s Raised Here...Stays Here,” you can help inspire individuals to give back to their community. Help make PV students shine through enriched educational experiences provided by the Foundation.

Be a part of the fun and become a sponsor today!

GivingTuesday

PVSD Foundation seeks a **\$5,000** matching sponsor for our GivingTuesday / End of the Year campaign. GivingTuesday launches our end of year giving campaign for individuals to make contributions before the fiscal year ends.

Turn On The Lights | \$5,050

A fun campaign that encourages individuals to support the Foundation at a level they are comfortable with from \$1 to \$100 or any combination. Your company would be the matching sponsor for this campaign.

Your company logo will be added to the graphic and company name linking back to company site added to the confirmation email.

Dodgeball

Saturday, March 1

Our Dodgeball Tournament is our most anticipated event of the year and our biggest fundraiser. Teams from kindergarteners to eighth graders compete in grade-appropriate divisions. Last year, we introduced an adult division, and we are excited to see that division grow!

In 2024, we had 86 teams - including 5 adult teams! The event brought in almost \$35,000 for the Foundation. Typically, our net revenue goes to funding various projects within the district. Last year, we committed all of our funds to the Anatomage Table featured in the high school biology department in September.

The fun of the event is in the competition - each division winner gets a prize. Beyond competition prizes, we offer a prize for Best Team Name, Best Dressed (costume contest!), and the three highest team fundraisers.

Be a part of the fun and become a sponsor today!

2025 Dodgeball Tournament Sponsorship

Presenting Sponsor

- ✔ Company associated with event
- ✔ Check Presentation & Speaking Opportunity
